Education

- **Birsa Institute of Technology, Sindri** *2023 - 2027*
  Computer Science and Engineering CGPA: 8.36
- **DAV Public School, Sindri** *2022*
  Intermediate Education, Jharkhand Percentage: 90.2

Experience

- **Infosys | LINK** *Sep 2025 – Nov 2025*
  - Analyzed large datasets (10,000+ rows) by cleaning, preprocessing, and identifying key patterns to support insight generation.
  - Built interactive dashboards and visual reports to present trends, segmentation results, and actionable insights.
  - Enhanced data accuracy and clarity through structured workflows, result validation, and clear documentation.

Personal Projects

•**E-commerce Customer Purchase Prediction Project | LINK**

- **Tools & Technologies :** Python, Streamlit, Scikit-learn, Random Forest, Pandas, NumPy, GitHub, Streamlit Community Cloud
- Developed an ML model to predict 7-day purchase probability using customer behavior data.
- Created features, performed EDA, and optimized a Random Forest classifier.
- Built an interactive Streamlit dashboard showing KPIs and probability insights.
- Deployed the complete app on Streamlit Cloud for live use.

AI Financial Market Data Analysis | LINK

- **Tools & Technologies :** Python, Pandas, NumPy, Matplotlib, Seaborn, Jupyter Notebook
- Analyzed financial data of major AI companies using Python to study trends between R&D investment and revenue growth.
- Engineered ML models to forecast stock price trends using historical data, improving prediction accuracy by 7%.
- Automated data workflows for faster financial data extraction and performance analysis.

Technical Skills and Interests

Languages: Python , SQL , C++ , C
Developer Tools: Power BI , Excel , MySQL , PowerPoint
Frameworks: Pandas, NumPy, Matplotlib, Seaborn, Scikit-Learn, GenAI Tools
Platforms: Jupyter Notebook ,Visual Studio Code ,My SQL Workbench
Machine Learning Skills: Data Cleaning, EDA, Feature Engineering, Classification Models, Model Deployment (Streamlit))
Soft Skills: People Management , Excellent Communication

Achievements

- reliance scholar : only 5000 are selected all over india
- Certified in the FLY-Scholar Leadership Development Program (FFE), emphasizing personal growth, efective communication, teamwork, and goal-oriented leadership

Certificates

- **GFG 160-Days Coding Challenge :**Successfully completed 160 days of consistent coding practice on GeeksforGeeks platform.
- **Google Advanced Data Analytics Capstone :**Online non-credit course authorized by Google and offered through Coursera, focusing on advanced data analytics skills and capstone project completion.
- **NCAT :**Achieved 868 rank in whole India in NCAT examination.
- **Database Management Certificate :**Certified in database management with expertise in SQL, database design, and administration.
